Arrange the following (w, x, y, z) in decreasing order of their boiling points:

(A) w > x > z > y

(B) w > x > y > z

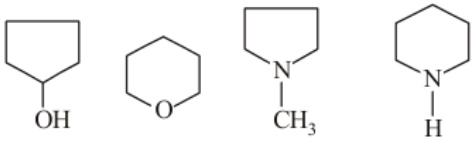

(C) w > z > y > x

(D) w > z > x > y

extracted text + cropped figure (the JSON)

20. Arrange the following (w, x, y, z) in decreasing order of their boiling points:

(w) (x) (y) (z)

(a) w > x > z > y (b) w > x > y > z

(c) w > z > y > x (d) w > z > x > y
